**DR. NICANOR REYES SCHOOL of MEDICINE ALUMNI FOUNDATION** is a not-for-profit organization of 2700+ alumni physicians throughout the United States. Established 35 years ago, FEUDNRSMA Alumni Foundation missions are focused on educational, charitable, humanitarian, community and civic services here in this country, in the Philippines, and at the FEU-Nicanor Reyes Medical Foundation Institute of Medicine (West Fairview, Quezon City).

**ANNUAL REUNION:** The first Alumni Foundation reunion was held at Marriott Lincolnshire (IL) during the 1978 APPA Convention alumni night. The event was so successful that our alumni decided to meet again every summertime to renew friendship, reminisce about the past, honor outstanding classmates, and have our families meet new friends. The New Jersey Chapter hosted the next reunion at the Playboy Great Gorge Hotel. In 1980, the first annual reunion with a scientific seminar was held in Orlando. In the succeeding years, the affair was held in Anaheim 1981, Boston 1982, Grand Island in Niagara Falls (NY) 1983, Indian Lake Resort in Chicago 1984, Orlando 1985, Virginia Beach 1986, Toronto 1987, Long Beach 1988, St. Louis 1989, Washington DC 1990, Atlantic City 1991, San Francisco 1992, Chicago 1993, New Orleans 1994, Las Vegas 1995, Minneapolis 1996, Dallas 1997, Anaheim 1998, Atlantic City 1999, Chicago 2000, Las Vegas 2001, San Francisco 2002, Norfolk 2003, Troy MI 2004, Las Vegas 2005, Houston 2006, Chicago 2007, Orange County 2008, New York City 2009, Troy 2010, Las Vegas 2011, Los Angeles 2012, Chicago 2013, and Las Vegas 2014 and 2015, and San Francisco 2016. The reunion has served as a venue not only to see our classmates, but also to present talents other than our medical expertise during the Filipiniana night and to plan activities for our annual reunion in West Fairview the following January.

**SCIENTIFIC SEMINAR:** Three comprehensive, accredited half-day programs that cover a broad spectrum of updates and current trends in medicine, designed not only for the primary practitioners but also for the specialists highlight the event. This continuing medical education activity has been planned and implemented with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME), provided by the Philippine Medical Association in Chicago which is accredited by the ACCME to provide continuing medical education meeting for physicians and takes responsibility for the content, quality, and scientific integrity of this CME activity. It meets the criteria for 14 credit hours of the Category I ACCME Physicians' Recognition Award for the American Medical Association. The objectives of the scientific seminar are to offer a review of and an update on common medical and surgical problems, focusing on cardiology, endocrinology, infectious diseases, anesthesia, plastic surgery, malpractice, and miscellaneous topics of current interest. Since the CME meetings are held only in the morning, there is plenty of time for fellowship, camaraderie, and reminiscing for the rest of the day.

**HONOREES:** The honorees of the reunion in 2016 will be led by the members of the **Class<sup>62</sup> Emerald Jubilarians**, **Class<sup>67</sup> Golden Jubilarians** and **Class<sup>92</sup> Silver Jubilarians**. During the Grand Reunion Saturday dinner dance, the attending jubilarians are presented, first in slides the way they were in the medical school, then in person - the way they are now. The alumni night will recognize other honorees, namely: **Class<sup>72</sup> Sapphire Jubilarians**, **Class<sup>77</sup> Ruby Jubilarians**, **Class<sup>82</sup> Coral Jubilarians**, **Class<sup>87</sup> Pearl Jubilarians**, **Class<sup>97</sup> (20<sup>th</sup> anniversary)**, **Class<sup>2002</sup> (15<sup>th</sup> anniversary)**, and **Class<sup>2007</sup> (10<sup>th</sup> anniversary)** celebrants. Members of these Classes are enjoined to attend in full force. If members of these Classes, or any Class, wish to have separate functions or to get together during the reunion, the Alumni Foundation will help with any arrangements. The more classmates you have, the merrier; however, the quality of your enjoyment does not depend only on your "old" friends and classmates. The enthusiasm and spirit of the attendees are generally infectious. The occasion, the place, and the company tend to your having a great time.

**EXHIBITS:** We have allowed pharmaceutical companies and specialty boutiques to have a show and display. To encourage artistic talents of our alumni, friends and families, there will be a museum/art exposition of their works (e.g. photography, water colors, oil paintings, etc), along with submitted abstracts for poster exhibit presentation.
